**Re: Pirkle, et. al. v. Wolf, et. al.
No. 4:20-cv-02088**

Dear Judge Brann:

I am counsel to plaintiffs in the above reference matter. Today, plaintiffs filed a Motion to Consolidate and to Expedite Case and Discovery (ECF No. 5). I write to advise the Court that I have served a copy of the Motion on opposing counsel and requested their consent. But I have yet to receive a response. We stand ready to answer any questions the Court may have.

Respectfully submitted,
